“Clowning Around
Avon”

Avon Area Arts Connection

A group of Avon area residents has recently begun the process of forming an arts organization in the Avon area. This organization would like to expand the cultural and creative opportunities of Avon area residents by promoting local artists, bringing regional, national and international art to Avon, and enhancing art education for people of all ages. The organization hopes to host a number of art and cultural events each year. A three day art exhibit with music will take place June 8,9, and 10 at the Angel Fire Ranch, 4 miles south of Avon. Please contact Helen Man-nion at 320-260-8332 if you have any questions or are interested in becoming involved with this endeavor or visit us at www.avonareaartsconnection.com.
